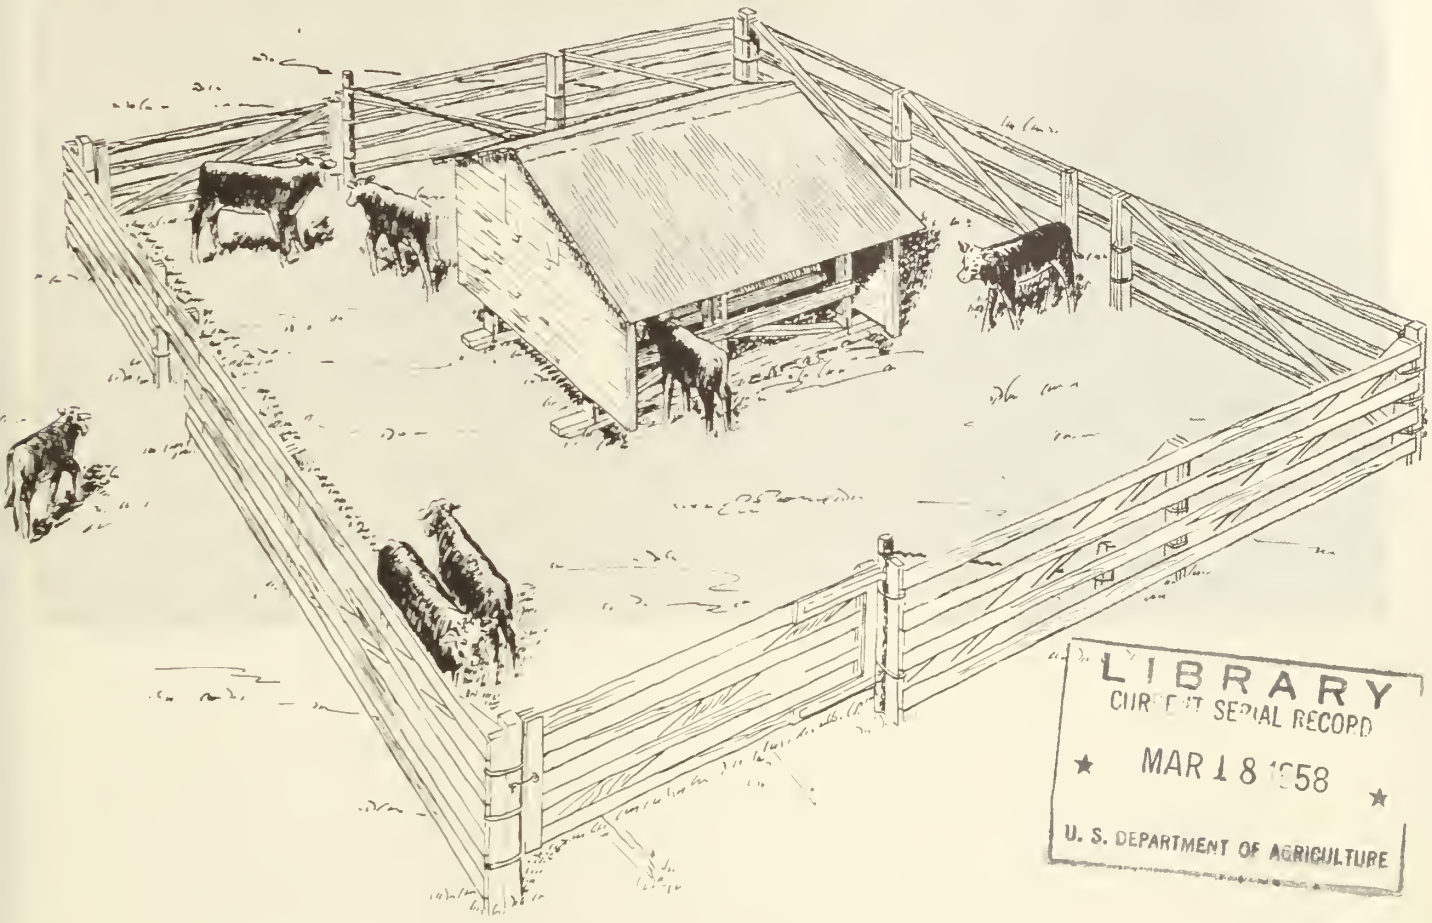
FARM BUILDING

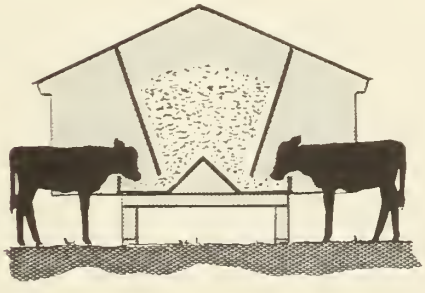
PLAN NO. 5764

(1 SHEET)

MOVABLE CALF CREEP FEEDER (FENCED)



LIBRARY
CURRENT SERIAL RECORD
★ MAR 18 1958 ★
U. S. DEPARTMENT OF AGRICULTURE



65-bushel capacity --- for 30 to 50 calves

The movable creep fence is made in 8-foot sections that are wired to corner posts and stakes set in the ground. Gates permit a feed truck to drive through. The feeder bin is filled through an end door.

The drawings on the other side of this sheet provide the essential details for construction of the feeder itself. For longer service, the wood runners, shoes, and lower framing members should be treated with preservative.

February 1958
